

Product Specification

[Product Name] Transglutaminase

[Model] TG-CK05

[Color] White or light gray powder.

[Aroma] Has the characteristic odor of transglutaminase.

[Flavor] Odorless.

[Technological Characteristics] Yeast extract, glycerin, and corn flour are used as raw materials, and after biological fermentation, the glutamine transaminase enzyme is produced by filtration, ultrafiltration, elution, and freeze-drying. The original enzyme is compounded with other excipients.

[Ingredients] Transglutaminase, Maltodextrin, Sodium Caseinate, Phosphate, Sucrose Ester, Sodium Carbonate

[Product Features] (1) Strong adhesion. The enzyme covalently catalyzed by this enzyme is difficult to break under general non-enzymatic conditions, so after treatment of the minced meat with this enzyme, it will not spread after freezing, slicing, and cooking; (2) pH stability is very high. it is good. The optimum pH of TG is 6.0 and the enzyme has higher activity in the range of pH 5.0-8.0; (3) strong thermal stability. The optimum temperature of TG is about 50°C and it has a higher activity in the range of 45-55°C. (4) The quality is stable. Advanced biological fermentation production process and raw material quality control ensure long-term stable quality supply.

[Product Application] Restructure beef steak

[Dosage] 1%

[Reaction Time] React in normal temperature (17 °C) for 3~4 hours and it's better to react in 4-10°C over night.

[Caution] If enzyme comes in contact with sensitive skin or eyes, flush thoroughly and repeatedly with water.

[Quality Index]

Test items	Standard range	Test method
Appearance	White or light gray powder	Visual inspection
Enzyme activity (u/g)	Product labeling amount 68%--92%	KFDA-2004
Loss on drying (%)	≤10	GB/T5009.3
Total arsenic (mg/kg)	≤3	GB/T5009.11
Lead(Pb) (mg/kg)	≤5	GB/T5009.12
Colonies number (CFU/g)	≤50000	GB4789.2
Coliform bacteria (CFU/g)	≤30	GB4789.3
Escherichia coli (25g or 25ml)	Absent	GB/T4789.38
Salmonella (25g or 25ml)	Absent	GB4789.4

[Packaging & Storage] Inner packing: 1kg aluminum foil bag packing. Outer packing: 1kg*10

JIANGSU YIMING BIOLOGICAL TECHNOLOGY CO., LTD.

No. 333 Longhe Road, Taixing City
Jiangsu Province, China
